

Wright Flyers

Free R/C Pilot Training

Have you ever thought about getting into radio-Controlled airplanes as a hobby? Here is an opportunity to fly one of our club planes with the help of a qualified Instructor; and it's free!

The Academy of Model Aeronautics (AMA) allows us to offer free training under their Introductory Pilot Program. This program allows you train for 90 consecutive days without joining the AMA. For more information, click on the following link:

[AMA Introductory Pilot Program Instructions](#)

Wright Flyers Model Airplane Club offers free training every Monday afternoon at 5:00 PM May through August. Please join us at our field in Wright City, MO.

We also offer free training to our club members!

See below for Map and Directions.

Directions:

From Hwy 70 Exit 200, turn north. Take the North Service road east .2 mi. Turn left (north) on Hwy J. Travel 1 mile to Godt Rd. Turn Left (west), follow Godt Rd. 0.7 miles and bear to your right.
